CONFERENCE**

2019

JULY 24-27, 2019
INDIANAPOLIS

CONFERENCE RECAP

"Our 20th anniversary celebration has given us renewed energy & inspiration at a critical time. We must use that momentum to tackle the census, local elections, national elections, and a host of other challenges our communities face all over the country. I have no doubt that if we come together as a family there is nothing we cannot accomplish. If we use our collective intellect & resources it will result in an impact that reshapes the nation."

-Ray Shackelford, President of National Urban League Young Professionals
