We put together a list of places we often support, and will be sharing them on our social feeds throughout the week. We will highlight Retail & Restaurants on Monday, Wellness on Tuesday, Professional Development on Wednesday, and Real Estate on Thursday!

Whether it's \$5 or \$100: support your black-owned businesses.

In a recent **PRWeb** survey, black owned businesses have limited capital and cash flow which contributes to lower loan amounts, slower growth and slower hiring.

Let's change that!

Send us a screenshot of your receipt and where you supported! We want to be able to aggregate our spend within our Houston community.

What to expect at Lounging with the League.

The first **40 people** will receive a **complimentary drink**, thanks to our generous host, **Families Empowered**.

Express Feedback for Good

Giving a piece of Express Feedback takes about a minute. That's also how long it takes to sign up. NULYP's feedback period launched on 9/3 and we still have the opportunity to win money for HAULYP. Join your peers and help us generate \$50K to advance the Urban League Movement!

National Voter Registration Week

Join the movement to TURN UP AND TURN OUT THE VOTE for National Voter Registration Week! Young adults have been the heartbeat of so many civil rights and progressive movements, but they're often an underrepresented voting segment in local and national elections.

YP will be focused on helping to reverse this trend by empowering young voters to turn out to vote! Help us register or update 50 voters from this key demographic during National Voter Registration Week!

We will be sharing voter registration locations around the city so be on the look out for that!

It's time to turn up and turn out the vote in our schools, cities, states and nation...let's get ready to #TurnUpTurnOutTheVote
